

## **MODERN SLAVERY & HUMAN TRAFFICKING STATEMENT**

### **Introduction**

This Modern Slavery and Human Trafficking Statement is a response to Section 54(1). Part 6 of the Modern Slavery Act 2015 and relates to actions and activities for the financial year ending November 2023.

Eco Green Partners Ltd ('the Company', 'we', 'us' or 'our') is committed to preventing slavery and human trafficking violations in its own operations, supply chain and its products. We have zero-tolerance towards slavery and require our supply chain to comply with our rules.

### **Organisational Structure**

Eco Green Partners Ltd, has business operations in the United Kingdom only.

We operate in the Renewable Energy sector. The nature of our supply chains is as follows:

We work with a number of key direct suppliers, who provide us with goods, such as equipment and materials for our supply and installation services.

### **Due Diligence**

As part of our efforts to monitor and reduce the risk of slavery and human trafficking occurring in our supply chains, we have adopted the following due diligence procedures:

- Checking all suppliers with external third parties for any slavery or human trafficking risks.

Our due diligence procedures aim to:

- Identify and action potential and supply risks in our business and supply chains.
- Monitor potential risks in our business and supply chains.
- Reduce the risk of slavery and human trafficking occurring in our business and supply chains.

### **Risk and Compliance**

The Company has evaluated the nature and extent of its exposure to the risk of slavery and human trafficking occurring in its UK supply chain through:

- Reviewing on a regular basis all aspects of the supply chain based on supply chain mapping.

We do not consider that we operate in a high-risk environment because;

The business operates in this risk level environment because the majority of our supply chain is based in the UK and in low risk industries.

We do not tolerate slavery and human trafficking in our supply chains. Where there is evidence of failure to comply with our procedures by any of our suppliers, we will require that supplier to remedy the non compliance.

### **Effectiveness**

The Company uses Key Performance Indicators (KPIs) to measure its effectiveness and ensure that slavery and human trafficking is not taking place in its business and supply chains. These KPI's are as follows:

We cannot say with any certainty how effective the steps we are taking have been in ensuring that slavery and human trafficking is not taking place in our business and supply chains. As part of our work for the next financial year, we will be considering how best to monitor the effectiveness of the actions taken.

The statement was approved by the board of directors.
